Dear Don:

STAT

[Redacted] in his letter of 20 November 1979 proposed a CIA-NARS review project of several indices related to the 1945-1949 State Department central decimal files. We have been reviewing and re-reviewing State's Confidential and Main Decimal Files, 1945-1949, and have delayed the indices project until our review of these files was completed. We now hope to finish this project by August 1.

By July 1, 1980, we should have staff available to begin working with your reviewers on the indices in question. I will have JoAnn Williamson of my staff call [Redacted] to set up a meeting on the procedures to be used and to confirm the July 1 date.

STAT

Sincerely,

EDWIN A. THOMPSON
Director
Records Declassification Division
